INDICATIONS:

- Facial skin and neck tightening and lifting
- Firming of naso labial folds
- Lifting of droopy eyelids and correcting loose skin around the eyes
- Improvement of skin tone and texture and open pores
- Defining and sculpting of jawline and jowls.

PRE AND POST INSTRUCTIONS

- Do not use the following products 3 days before or 3 days after your treatment or until pinkness has subsided): topical Retinoic acid/ Treitinoin, harsh scrubs or exfoliating products and bleaching creams.
- Avoid tanning or prolonged sun exposure 2 weeks before and 2 weeks after treatment.
- Apply Post Treatment creams as advised.
- Apply your Sunscreen SPF 50 after the treatment.
- Cleanse the treated area with your Gentle Cleanser with tepid warm water. Apply cleanser to fingertips with water in a gentle motion.
- Although extremely rare, a blister may appear, if so please call the office to let us know.
- Avoid blood thinners and heavy alcohol 2 weeks prior to treatment.
- Avoid Botox at least 1 week prior to treatment.
- Avoid Dermal Fillers at least 4 weeks prior to treatment.
- Keep yourself hydrated with an extra liter of water for next 48-72 hrs.
- Avoid massages or other salon activities for at least 15 days post treatment.
- Notify your Doctor if you have a history of cold sores/ fever blister
- You are not a candidate if you are pregnant. Immediately after the Aureate treatment, the skin may appear red or slightly swollen in select areas, which may last a few hours or longer.
- It is normal to experience mild tenderness, swelling and bruising along the jaw line for several days in some cases longer.
- You may experience some numbness or shooting pains, particularly on the brow bone area on occasion. This is temporary and will resolve soon. Please call us with any concerns.

- You may resume regular activities immediately after the procedure. There are no limitations to your activities other than what we have stated above.
- You will start to experience immediate tightening and toning of the treated areas after the procedure. Your results will continue for the next 3-6 months as your body builds collagen in the treated areas.

After treatment, if you have any questions, concerns or experience any problems, please contact our clinic at 9871217300, 0124-6614282
